

Use the diagram below to gather as much information as possible by asking your friend these questions in Arabic and write the answers. * You can add extra questions if you want. What do you prefer to do in the evening? Why? What is your favorite time When do you wake up? in a day? Why? My friend's name: What is the first thing you do What are the 3 things you when you return from school? usually do in the morning? How has your day changed from when you were a child?
