

1. Translate the paragraph below **into Arabic**.

In my opinion, it is important for young people to keep their identity. Technology and society can influence the way young people think, but family teaches us important values and principles. Sometimes it is difficult to balance traditions and modern life. In the future, I think young people should be proud of their identity and make their own decisions.

2. Choose the correct verb in the future tense in the sentences below.

الهوية – التقاليد – المجتمع – التكنولوجيا – القيم

- (a) تعلّمنا العائلة _____ والمبادئ.
